

# CRACKED SOUL

## #INTRO

I might have a cracked soul

## #VERSE

Have you ever felt like you're in cloud nine  
And a moment later, nothing seems right  
Those thoughts of grandiosity catch on velocity  
Sooner or later, it all ends in a crash  
It all ends in a crash

## #PRE-CHORUS

But I won't give up on myself  
Maybe with some time I will be okay

## #CHORUS

'Cause I might have a cracked soul  
But I'm standing tall  
I get happy, I get angry, I get sad  
But maybe it's not so bad  
'Cause I might have a cracked soul  
But I'm standing tall  
Now I just want to explore and never again ignore  
Where my mind is at its core  
I might have a cracked soul

## #VERSE

Have you ever felt like a child in disguise  
Creative and funny but inappropriate  
To the eyes of everyone else  
They've just started to realize that  
You're not like them  
That's when comedy dies  
When it dies

## #PRE-CHORUS

But I won't give up on myself  
Maybe with some time I will be okay

## #CHORUS

'Cause I might have a cracked soul  
But I'm standing tall  
I get happy, I get angry, I get sad  
But maybe it's not so bad  
'Cause I might have a cracked soul  
But I'm standing tall

Now I just want to explore and never again ignore  
Where my mind is at its core

#### #BRIDGE

Life can be hard  
When it seems like I'm the only one playing this game  
And my mind can be cruel  
When it makes me believe, that bad things are true  
But maybe someday, someday  
I'll be able to make peace with myself  
Until then, until then

#### #CHORUS

'Cause I might have a cracked soul  
But I'm standing tall  
I get happy, I get angry, I get sad  
But maybe it's not so bad  
'Cause I might have a cracked soul  
But I'm standing tall  
Now I just want to explore and never again ignore  
Where my mind is at its core  
I might have a cracked soul, cracked soul
