

HOW CAN IT BE

#VERSE

I never told anyone, what was going on
I felt scared, that they would think something bad about me
And every time that I found myself crying
Didn't have the strength to show myself

#PRE-CHORUS

But now I'm entering a place
Where I am not me anymore
I try to find myself
But I can't understand

#CHORUS

How can it be that
Nobody sees that
I'm not okay
I can't believe that
I am the only one
Feeling this way
How can it be that
Nobody sees that
I'm not okay
And people keep telling me
How they feel that I'm doing great

#VERSE

I'd always been in control of every move I called
I felt safe by knowing every single figure on the board
But this time I don't know, how to deal with it
'Cause everything I knew just disappeared

#PRE-CHORUS

And now I'm entering a place
Where I am not me anymore
I try to find myself
But I can't understand

#CHORUS

How can it be that
Nobody sees that
I'm not okay
I can't believe that
I am the only one
Feeling this way
How can it be that

Nobody sees that
I'm not okay
And people keep telling me
How they feel that I'm doing great

#HOOK

But I'm no-o-o-o-o-o-o-ot
(but I'm not, but I'm not, how can it be)
No I'm no-o-o-o-o-o-o-ot
(But I'm not, tell me)
But I'm no-o-o-o-o-o-o-ot
(Hm, I can't believe, how can it be)
No I'm no-o-o-o-o-o-o-ot
(Am I the only one feeling this way)
