

QUESTION ASKED

#VERSE

Question asked

My heart beats fast

Feels like I waited ages

To see that sentence on a page

It's draining to retain these feelings

Craving to be seen

It's like they're purposely invading from inside

#VERSE

But then I'm pulled back to reality

Words in black

They describe, what's going on

What "is wrong" with me

My heart wants to be strong

But I'm fragile

#OUTRO

There's a battle and my defenses are scattered

The terminology the doctor wrote down

Has always been a part of me-e-e-e-e

That I just never took into account
